Recommendation for OCF by-Law Change – Voter Registration at Wristbands

(The following text is printed verbatim, as it was presented. It has not been edited for spelling or grammar.)

We, the undersigned, being members of the OCF request that there be a resolution added to the ballot for the annual meeting of the membership...it is hereby resolved that.....

We recommend that the OCF develop plans/process that allows for FAIR family to register to vote when they collect their wristbands at the fair.

- We believe this would allow for the FAIR family to be better represented.
- We believe this increase Membership/Voter turnout.
- We believe the mail-in process must continue.
- We believe this will increase the number of registered voters & hopefully, allow them to become more engaged in our process.
- We respectfully ask that this recommendation be discussed with any subcommittee and with the membership & that is should not be ignored or buried if it passes thru the election.

On the ballot –

Do you agree that the OCF should develop plans/process that allows Fair family to register to vote when they collect their wristbands at the fair?
